ABOUT CHRIS KILKES

Chris Kilkes is a multi-disciplinary artist and designer. He has worked in the field of digital art and design for over 15 years. His work is characterized by a strong sense of form and a deep understanding of the creative process. He has collaborated with numerous clients and has been featured in various publications and exhibitions. His work is a blend of traditional and digital techniques, creating a unique and compelling visual language.

Chris is currently working on a new project that explores the intersection of art and technology. He is passionate about his work and is always looking for new challenges and opportunities to grow as an artist and designer. He is a member of several professional organizations and is active in the local art community. He is a dedicated professional who is committed to excellence in his work.
